Flight Attendant Careers

Together We Soar

Is your job really going places? Would you like to be?

Step into a flying career at CommuteAir as a Flight Attendant and soar to your next professional destination! Our role as a regional airline is an important one that we take seriously. Community, mentorship, training and personal growth are all part of our DNA. Stepping into a new industry can be challenging – but the community at CommuteAir it's also going to be fun.

No Experience Required

Hop into the jump seat and buckle up with our in-house training program. We'll mentor you each step of the way and get you certified – and with unlimited pass-rider travel on United Airlines global network, you'll be getting yourself to new destinations in no time.
